## **Message from the Principal**

Dear Families,

It has been an eventful week on our two campuses! A big thank you to Ms. Bramlett and all the parents who attended the 5th Grade Theater Showcase — the performances were fantastic. Our orchestra students enjoyed a fun movie night, while our volleyball, football, and cross-country athletes represented our school with great sportsmanship and skill. All our students have been working hard academically, as well, as we wrap up the first nine weeks of school.

As we move into the next half of the semester, one of our focuses will be helping students understand the power of their words. Academically, we are encouraging students to engage in productive conversations with their peers to learn from one another. Socially and emotionally, we want our students to realize the impact their words can have on those around them. Hurtful, disrespectful, or threatening language not only affects those directly involved but also influences the overall climate of our school.

I've had many positive interactions with students who consistently demonstrate kindness, respect, and maturity, but I've also noticed instances where unkind, disparaging, or threatening words were used. Although this age group is known for testing boundaries, we still want them to be cognizant of right from wrong.

What makes Highland Park so special is the close relationship between our schools and families. I know that having a conversation with your child about the importance of word choices and the positive or negative impact they can have is something you'll support. Together, we can continue fostering a positive environment for all our students.

Thank you for your partnership and support.

Warm Regards,

*Amanda Reyes*

### **MIS/HPMS Faculty & Staff Cafeteria Gift Fund**

Through your enormous generosity during Back to School Sign Up, the MIS/HPMS PTO is able to provide complimentary meals to our full-time faculty and staff through the Faculty and Staff Cafeteria Gift Program again this fall. On behalf of our faculty and staff, a heartfelt thank you to all of those who were able to contribute through BSSU.

The Faculty and Staff Cafeteria Gift Fund was established to recognize the hard work of our faculty and staff and to express our gratitude for their dedication to our students. By contributing to this program, you are supporting our students' teachers in a very meaningful way.

Later this year, you will have one more opportunity to contribute to the Faculty and Staff Cafeteria Fund. We hope that you do. It matters. And it's yet another way to let our teachers know that we are grateful for them and that their hard work does not go unnoticed. Thank you in advance for considering it.

Below is a list of all the MIS/HPMS students whose families contributed to the Faculty and Staff Cafeteria Gift Fund through BSSU in August.

Our faculty and staff are extremely appreciative of this gift and the PTO is very glad to provide it.

Gratefully,

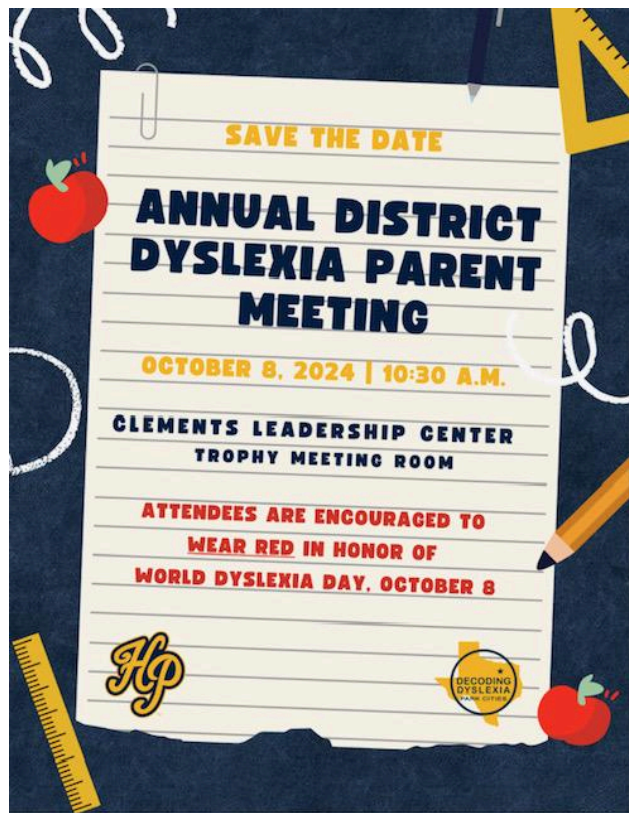

Vanessa Renna  
MIS/HPMS PTO Faculty and Staff Cafeteria Gift Fund Chair

*\*The MIS/HPMS PTO is a 501(c)3 and 100% of your donation is tax deductible to the extent allowed by law. Please print your receipt from BSSU or email if you should require a receipt for donation.*

## 5th and 6th Grade News

### Attention 6th Grade Families: Water Walk coming up on October 18

6th grade Social Studies Contemporary World Issues classes will participate in a Water Walk on **Friday, October 18**. This annual activity is a highlight of 6th grade and reinforces the lessons students are learning in their classes about the UN Sustainable Development Goals and the challenges of providing access to safe, clean drinking water around the globe. Students will

be collecting gallon jugs of water for donation to the North Texas Food Bank, and during the Water Walk, will have the opportunity to "walk in another's shoes," as they simulate carrying water for long distances like many women, children, and families in developing countries around the globe. The donated water will help families in our own region who may be challenged with food insecurity.

Join with our students in the conversation and action about water education and water access as they learn about water issues across all their classes during the week leading up to the Water Walk on **Friday, October 18**.

Parents, please click [HERE](#) to sign up to volunteer during your student's 6th grade Social Studies class.
